

## Two Sportsman Teams Announce Returns For '09!

March 11, 2009

### HILLTOP MOTORSPORTS RETURNING IN '09

Sophomore driver Chris Dingle will return his #71 entry out of Hilltop Motorsports to the track this season when the C&R Auto Supply Sportsman division goes racing on May 30th. "Last year was Chris's rookie season and lots was learned and lots of fun was had," crew chief J.D. McCully told ScotiaSpeedworld.ca. "We are looking forward to '09 with some changes to the car (new motor) and hopefully some new sponsors and the addition of an extra crewman or two."

Chris had a solid rookie season in 2008 which saw him finish 13th in points in a very deep field of competition week in and week out at the 3/10 mile oval. Look for Hilltop Motorsports to be vying for top spots on the track every time the C&R Auto Supply Sportsman series hit the track this coming season!

### ROMA BROS RACING LOOKING TO GO BACK TO BACK

When Terry Roma (West Chezzetcook) hits the track on May 30th, he will be looking to follow in the footsteps of Craig Slaunwhite (Terence Bay) and win two back-to-back C&R Auto Supply Sportsman titles. It could be done, but Roma Brothers Racing knows the competition will be stiff.

Lockie Roma, crew chief for the #38 Sportsman car, says the team is preparing for the upcoming season. "We are cleaning up the car now. It will still be a Grand Prix but hopefully a newer version. We are also still debating whether to change our color scheme or not."

One thing is for sure though; the #38 will be back at Scotia Speedworld in '09 and will look to win yet another Lockhart Weekly Racing Series championship!

Next week, we have big news from Derek MacCallum, the 2008 Miller Tire BFGoodrich Thunder Car Champion and his 2009 plans!
